

FIELD TRIPS

Throughout the year, teachers will conduct field trips for their classes. You will be given a form for your parents to sign, which will allow you to go on the trip. This form must be signed by your parents. It is your responsibility to get this done if you want to go. A phone call will not and cannot take the place of the signed form.

You are expected to conduct yourself in an orderly manner any time that you are on a school trip. Your misbehavior on a trip could penalize the entire school. When on a field trip students are expected to follow all school rules as well as those defined by the teacher.
