Welcome and thank you for your interest in The Education Center School. We are looking forward to the 2017 – 2018 school year, and our 54th year of educating students. We are located in the historic Fondren District of Jackson.

Fully accredited, The Education Center School offers year-round school terms with additional summer school programs. Students can enroll at any time of the year and benefit from our instructional program, which is characterized by a personalized approach to students' specific needs and learning styles.

Our qualified and experienced faculty and staff provide a traditional, challenging, and differentiated curriculum for all students. This approach encourages students to use their strengths to correct their deficiencies, enhances emotional well-being, and emphasizes the development of character and citizenship.

Parents, teachers, counselors, physicians, and others create partnerships that support each student's educational experience. Whether in a conventional classroom setting or in our online classes, we celebrate each student's individuality and broad range of interests and teach them to embrace the unique qualities within themselves and others.

Thank you for contacting The Education Center School. You are invited to be a part of our school family and experience firsthand the commitment and dedication that are hallmarks of our program. We would be honored to work with you and your child.

If you or your child's current counselor or principal have questions or need additional information about our academic program or other services we offer, please call me at 601-982-2812 ext. 224. We encourage you to see our campus by arranging a time to visit with an administrator or counselor and tour our school.

Attached is our enrollment packet for your convenience. I look forward to speaking with you soon.
